

CALL FOR CONTRIBUTIONS TO THE EUROPEAN CONFERENCE

FROM TAMPERE 20 TO TAMPERE 2.0

Towards a new programme (2020–24) for EU migration and asylum policies 20 years after the Tampere conclusions?

Helsinki, 24 & 25 October 2019

CALL FOR CONTRIBUTIONS

In order to provide food for thought in the conference, the [Odysseus Network](#), the [EMN-Finland](#) and the [European Policy Centre \(EPC\)](#) launch a call for contributions. Five preparatory workshops gathering policy makers and stakeholders from all horizons and academia will be organised in Brussels in June 2019 to review the draft papers that will be discussed in the conference. The topics of these preparatory workshops follow the program of the conference, the human rights of migrants being a transversal concern:

Preparatory Workshop Agenda setting at EU level & institutional and financial framework (in particular agencies)	
Preparatory Workshop Partnership with third countries	Preparatory Workshop A common European Asylum System (including solidarity)
Preparatory Workshop Fair treatment of third-country nationals (legal migration and integration)	Preparatory Workshop Management of migration flows (fight against irregular migration: databases and return)

All interested institutions (ministries, agencies, regions, cities,...) and organisations (NGOs, trade unions, international organisations, political parties, research centers, companies,...) from the public or private sector as well as individuals (members of Parliament, academics, consultants, advisers,...) can contribute to these preparatory workshops by sending policy proposals regarding the future of EU migration and asylum policies. Proposals should be precise and accompanied by an explanation of their added value. Papers or reports that are already published, and which include recommendations, are also welcome.

- Contributions must be presented on the form that can be downloaded [here](#) except if they are already published (in this case, they should be sent as an attachment by email to the address below);
- The contributions that will be made available on the conference website should preferably be sent in **by 10 May** via email: tampere2.0conference@gmail.com;
- You can send an email to the address above if you are interested to take part in the discussion during a preparatory workshop;
- The organisers will invite some authors of contributions to take the floor in the workshop panels in the conference.

The workshops are organised with the financial support of the [Friedrich Naumann Foundation \(FNF\)](#)

This conference is a special event in connection with the Finnish Presidency of the European Union (2nd semester 2019)
